QUESTION 1

You are consulting on the development of a complex Web site for an airline maintenance company. It will contain a large library of technical information. Maintenance technicians will use the site to understand the requirements of their jobs, the physical structure of the airplanes, and other important information. They will need to refer to different areas of the site frequently. What kind of positional awareness tool should be included to help navigation through the site?

A. Site maps

B. Deep URLs

C. Breadcrumb trails

D. Descriptive page headings

Correct Answer: A

QUESTION 2

When starting a new project, many website designers develop a single page that includes all the fonts, sizes, white space, and colors they want. This becomes their page template for the rest of the site. Why is this practice important?

A. It helps them determine which WYSIWYG code editor they should use.

B. It insures they are properly separating the HTML5 coding from the CSS3 styling.

C. It ensures the site has a consistent look and format.

D. It proves the rest of the site will validate to current HTML5 standards.

Correct Answer: B

QUESTION 3

Your company has just released a new version of its Toys Department pages. Early feedback indicates that your visitors are enjoying the colors and whimsical nature of the pages but are left feeling confused about where to click next to get more information about the products. Your design has failed to incorporate which set of design principles?

A. ERBU

B. CARP

C. KISS

D. CMYK

Correct Answer: C

QUESTION 4

Which of the following is the preferred standard for responsive web design?

A. Use Flash to control the appearance of the site and capture browser information.

B. Use JavaScript to set all CSS style and control interactivity.

C. Use CSS to organize the information and HTML to control the appearance of the site.

D. Use HTML to format the web site and CSS to control the appearance of the site.

Correct Answer: D

QUESTION 5

Consider the following image.

What kind of Web site would benefit most from this kind of layout?

A. A dictionary of definitions for slang words and phrases

B. A social media site promoting movies through video trailers

C. A photo gallery site for clothing fashions

D. A general newspaper site, with many images and videos

Correct Answer: D
