Which two statements are true? (Choose two.)

- A. The invoices are placed on payment hold.
- B. The status of each payment in the payment file is Terminated.
- C. The status of the payment file is Terminated.
- D. The status of each payment in the payment file is Cancelled and the related documents are available for future selection.
- E. The status of the payment file is Cancelled.

Correct Answer: CD

If the payment file has been terminated and the documents payable have been returned to the source product, then the status of the Printed Payment File is Terminated. Oracle Fusion Payments informs the source product of the terminated documents payable. Then for each payment in the payment file, Payments sets the status to Canceled.
