Correct Answer: BCDEH

QUESTION 3

You have a source material for your policy model that reads as follows:

"Only families who meet the minimum work and education requirement are eligible for the competitiveness credit. A family meets the work and education requirement if all of its members are either gainfully employed or enrolled in a full-time study program. Families in which a member does not meet the requirement but is actively searching for a job can apply for a waiver".

Which statement describes the entity structure that your policy model should have?

A. The rules will infer the necessary entities by using automatic data types.

B. Create an entity for "the family member" an entity for "the family", and an entity for "the minimum work and education requirement".

C. Create an entity for "the family member" and use the global entity.

D. Create an entity for "the family member" and an entity for "the family".

Correct Answer: B
