QUESTION 1

You have an ADF Faces page that contains various input fields and a command button. The command button has the partial submit property set to true. For this page, when the button is clicked which two statements are true?

A. Only UI components whose values have been changed will be refreshed.

B. Only the UI panel In which the button exists will have its content refreshed.

C. The page will refresh all UI components that have the partialSubmit property set to true.

D. The page is submitted and only components, whose partialTriggers property references the button, will be refreshed.

E. The page is submitted, and any components that have the same binding executable as the button and have changeEventPolicy set to PPR, are refreshed.

Correct Answer: BC
