QUESTION 2

You are creating an HTML document that displays a list of news articles.

The list has the following requirements:

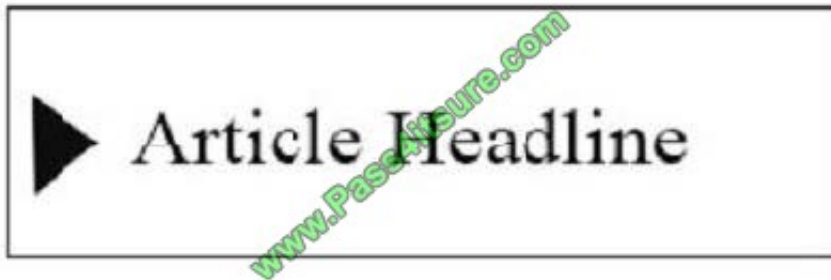

Each article must be its own semantic block.

Each article must have a headline.

Each article must have a section that contains its content.

For browsers that support the feature, the content must be hidden until the user clicks to reveal it.

The following shows how the article displays when the article content is hidden:

The following shows how the article displays when the article content is displayed:

You need to create the markup for an article.

How should you complete the markup? To answer, select the appropriate markup segments in the answer area.

NOTE: Each correct selection is worth one point.

Hot Area:

Answer Area

The diagram illustrates the construction of an XML document through five sequential steps, each shown in a separate window with a dropdown arrow:

- Step 1: An empty document with a dropdown arrow.
- Step 2: The document contains the opening tag `<article>`.
- Step 3: The document contains `<article>`, `<details>`, and `<summary>` tags.
- Step 4: The document contains `<article>`, `<details>`, `<summary>`, and the text "Article Headline".
- Step 5: The document contains `<article/>`, `<details>`, `<summary/>`, and the text `<p> This is the article content. </p>`.

Correct Answer:

Answer Area

The diagram illustrates the correct HTML structure for an article. It shows a sequence of tags: an opening `<article>` tag, followed by `<details>` and `<summary>` tags, then a paragraph of content, and finally a closing `</article>` tag. The `<details>` and `<summary>` tags are highlighted in green. A large watermark `www.Pass4itSure.com` is overlaid on the diagram.

```
<article>  
<details>  
<summary>  
  
<article>  
<details>  
<summary>  
  
<article>  
<details>  
<summary>  
  
Article Headline  
  
<article/>  
<details>  
<summary/>  
  
<p> This is the article content. </p>  
  
<article/>  
<details>  
<summary/>
```

QUESTION 3

You are creating an HTML page that displays a how-to guide for a card game. You want to use the browser's default style sheet. You need to display the following content:

How to Play

Disregard the jokers. Then deal one card to each player until all the cards in the deck have been dealt.

The player to your left plays first.

How should you complete the markup? To answer, drag the appropriate HTML elements to the correct locations. Each element may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to

view content.

NOTE: Each correct selection is worth one point.

Select and Place:

HTML Elements

h1	hr	title
br	span	

Answer Area

```
< <input type="text" value="h1" /> > How to play </ <input type="text" value="h1" /> >
<p>
  Disregard the jokers.
  Then deal one card to each player until
  All the cards in the deck have been dealt.
<p>
< <input type="text" value="hr" /> >
<p>
  The player to your right plays first.
<p>
```

Correct Answer:

HTML Elements

h1	hr	title
br	span	

Answer Area

```
< h1 > How to play </ h1 >
<p>
  Disregard the jokers.
  Then deal one card to each player until
  All the cards in the deck have been dealt.
<p>
< hr >
<p>
  The player to your right plays first.
<p>
```

QUESTION 5

You are designing a webpage for your company. You want to display an image named contoso.png on the page. If the user's Internet connection is slow, or if the user is visually impaired, you want the text Contoso Logo to be displayed or read aloud.

How should you complete the markup? To answer, select the appropriate markup segments in the answer area.

Hot Area:

Answer Area

```

```

The image shows a code editor interface with three dropdown menus. The first dropdown is set to 'img', the second to 'src', and the third to 'alt'. The code being typed is ``. A watermark 'www.Pass4itsure.com' is visible diagonally across the code.

Correct Answer:

Answer Area

```

```

The image shows the same code editor interface as above, but with the 'img', 'src', and 'alt' options in the dropdown menus highlighted in green, indicating they are the correct selections. The code being typed is ``. A watermark 'www.Pass4itsure.com' is visible diagonally across the code.
