QUESTION 1

A problem that is affecting the whole data center is being diagnosed. Thousands of events are coming in every few seconds as the user tries to view the Active Event List (AEL). How can the screen update be controlled so the user does not lose their place?

- A. click the Pause button
- B. select Menu Action > Pause
- C. click the Freeze button on the AEL
- D. There is no way to stop the display from updating as this would impact the IBM Tivoli Netcool/OMNibus V7.4 database performance.

Correct Answer: C

QUESTION 2

How does the event display change when an event is acknowledged?

- A. The acknowledged event is forwarded to the person owning the event.
- B. The acknowledged event changes to a darker shade of the same color.
- C. The acknowledged event is removed and put on the acknowledged table.
- D. The acknowledged event looks the same but has the acknowledged flag set.

Correct Answer: C

QUESTION 3

Which option gives the user the ability to perform specific actions related to events in the Active Event List (AEL)?

- A. create user tools to perform the actions
- B. perform an automation based on user input
- C. develop custom AEL URL pages for tool usage
- D. create user automations related to specific events with actions

Correct Answer: D

QUESTION 4

In Web GUI, what is the effect of clicking the Show Assigned Filters radio button in the Edit Event Dashboard Preferences screen?

- A. It displays only user assigned filters on the Event dashboard.
- B. It displays global and user assigned filters only on the Event dashboard.
- C. It displays global, system, and user assigned filters only on the Event dashboard.
- D. It displays all filters including global, system, group, and user assigned filters on the Event dashboard.

Correct Answer: D

QUESTION 5

On a mobile device, a particular severity filter has been selected. How is severity filtering removed so the Event List is restored to its original view of all events?

- A. tap the All tab on the Severity Filter tabs
- B. tap the Back tab on the Severity Filter tabs
- C. tap the Remove Filter tab on the Severity Filter tabs
- D. tap the Return to Full View tab on the Severity Filter tabs

Correct Answer: A
