- A. User-defined folders cannot be exported.
- B. During importing, duplicate components are automatically renamed.
- C. User-defined folders cannot be imported.
- D. During importing, dependent components are automatically selected.

Correct Answer: D

QUESTION 2

Without modifying any of the settings,

what is the lowest level of granularity that will be shown in the Reference Explorer?

- A. AllStaff
- B. Staff
- C. Staff (H)
- D. SalesStaff

Correct Answer: B

QUESTION 3

What is depicted below?

- A. How the elements of the transformation model will be output to the columns of a dimension table.
- B. How the columns of the data source map to the elements of the transformation model.
- C. How the items in the DataStream will be output to the columns of a fact table.
- D. How the elements of the transformation model will be output to the columns of a fact table.
- E. How the items in the DataStream will be output to the columns of a dimension table.

Correct Answer: B

QUESTION 4

Which of the following is a potential challenge when developing conformed dimensions?

- A. A developer may need to manually track changes to dimensional history by creating derived dimensions.
- B. A DataStream must be manually created for each conformed dimension's data source.
- C. A developer needs to build an operational data store (ODS) to contain the conformed dimensions.
- D. Dimensional keys may be different across source systems and need to be standardized.
- E. A developer may need to manually track changes to dimensional history by creating derivations.

Correct Answer: D

QUESTION 5

A lookup has been created to enable translation of incoming currency values (such as the US dollar) into another currency (such as the Euro). What should be done?

- A. Reference the lookup in the properties of the affected dimension build(s).

- B. Create a measure dimension which references the conversion rate.
- C. Create a derivation which uses the reference attributes of the lookup.
- D. Move the lookup to a fact build conversion map.

Correct Answer: C
