QUESTION 1

How is the customer's balance updated after a billing document is posted?

- A. Through the account group
- B. Through the customer's tax number
- C. Through the reconciliation account
- D. Through the credit control area

Correct Answer: C

QUESTION 2

What is contained in the SAP Best Practices for Data Migration package? (Choose two)

- A. Predefined mapping templates for objects in SAP SRM
- B. Predefined content for mapping to legacy systems
- C. SAP BusinessObjects Data Integrator
- D. Predefined migration content for the SAP Best Practices Baseline Package, documentation, and mapping templates

Correct Answer: CD

QUESTION 3

You are in a delta requirements session with a customer. They want to continue performing one of their business processes in the same way as they did in the legacy system.

What is your first action as a consultant in this situation?

- A. Using business-based arguments, convince the customer that utilizing Best Practices is the preferred option.
- B. Advise the customer to sign a time and material contract to implement any required changes.
- C. Contact SAP experts to check if the business process can be fixed by changes to the configuration.
- D. Consider using user exits or developing programs to make sure that the business process meets customer requirements perfectly.

Correct Answer: A

QUESTION 4

Which of the following tasks should be executed prior to the official start of implementation? (Choose three)

- A. Map and extract data
- B. Adapt forms and reports
- C. Fine tune the organizational structure configuration
- D. Review predefined roles and assign users
- E. Cleanse legacy data

Correct Answer: ADE

QUESTION 5

The ASAP Focus Methodology is structured in phases. At the end of each phase, the project manager has to fill out a checklist.

What is the ultimate purpose for using a checklist at the end of each phase?

- A. To send the invoice to the customer
- B. To check if something is missing
- C. To create the progress report for the steering committee
- D. To close the current phase and proceed to the next phase

Correct Answer: D
