QUESTION 1

Which of the following is NOT a common storage option with Infrastructure as a Service?

- A. Object Storage
- B. Volume Storage
- C. Content Delivery Network
- D. Big Data as a Service
- E. SSD based volume storage

Correct Answer: D

11.1.2 Cloud Data Storage Types

Application/platform: Examples of these would be a content delivery network (CDN), files stored in SaaS, caching, and other novel options.

QUESTION 2

Dynamic Application Security Testing (DAST) might be limited or require pre-testing permission from the provider.

- A. False
- B. True

Correct Answer: B

QUESTION 3

CCM: The Cloud Service Delivery Model Applicability column in the CCM indicates the applicability of the cloud security control to which of the following elements?

- A. Mappings to well-known standards and frameworks
- B. Service Provider or Tenant/Consumer
- C. Physical, Network, Compute, Storage, Application or Data
- D. SaaS, PaaS or IaaS

Correct Answer: D

FROM CCM Table Typical Control Applicability and Ownership IaaS PaaS SaaS

QUESTION 4

How can key management be leveraged to prevent cloud providers from inappropriately accessing customer data?

- A. Use strong multi-factor authentication
- B. Secure backup processes for key management systems
- C. Segregate keys from the provider hosting data
- D. Stipulate encryption in contract language
- E. Select cloud providers within the same country as customer

Correct Answer: C

Segregate keys from the provider hosting data, can be leveraged to prevent cloud providers from inappropriately accessing customer data. According to Security-Guidance-v4.0, Pg126, "You may be able to store the keys externally from the provider and only pass them over on a per-request basis."

QUESTION 5

In a cloud environment, how can you best determine data/information security risks and potential controls?

- A. understand the cloud storage architecture in use
- B. run a search on user data le
- C. encrypt everything
- D. identify the major operating system(s)
- E. understand the related regulatory requirements

Correct Answer: A
