QUESTION 1

You can obtain the Dell Utility Partition in which two ways? (Choose two.)

A. It can be installed from the DSA CD before an OS is installed.

B. Download the install file from www.dell.com.

C. It can be installed from the OpenManage Documentation CD.

D. It is included on the hard drive from the factory.

Correct Answer: AD

QUESTION 2

The drive that contains the user home folders is running out of space. This partition is labeled D and is a part of a three disk RAID 5 labeled Virtual Disk 2. Yo u want to increase the size of the partition by adding an additional hard drive to the virtual disk. How can you do this when a PERC 3/Di is used?

A. You back up the virtual disk. Array Manager is used to expand the virtual disk onto an additional hard drive.

B. You use Array Manager to delete Virtual Disk 2 and re-create it including the additional hard disk. You restore the contents of the original virtual disk from the RAID 5 parity.

C. Array Manager is used to expand the virtual disk onto an additional hard drive.

D. You back up Virtual Disk 2. Array Manager is used to delete Virtual Disk 2 and recreate it including the additional hard disk. You re-create the D partition and restore its contents from tape.

Correct Answer: D

QUESTION 3

Which benefit does Link Aggregation provide, as used by Intel NICs in PowerEdge servers?

A. allows multiple adapters to share the network load, preventing one adapter from being overloaded

B. combines multiple adapters into one channel, providing greater bandwidth for network traffic

C. assures that if one adapter fails, the server remains available to the network

D. provides load-balanced fault tolerance to the network

Correct Answer: B

QUESTION 4

What are the two default URLs for accessing OMSA on a remote server? (Choose two.)

A. https://ipaddress:443

B. http://hostname:1311

C. https://hostname:1311

D. http://ipaddress:1311

E. https://ipaddress:1311

Correct Answer: CE

QUESTION 5

You can use OMSA to remotely update the firmware for which two components? (Choose two.)

A. system software

B. Remote Access Controller firmware

C. host bus adapter firmware

D. BIOS

Correct Answer: BD
