**QUESTION 1**

A Dell EMC NetWorker backup administrator is deciding between guest-level backups versus NetWorker VMware Protection. What are the advantages of using NetWorker VMware Protection?

- A. Disaster recovery, deduplication, and file-level incremental backups
- B. Disaster recovery, application consistent, and instant access
- C. Disaster recovery, changed block tracking, and instant access
- D. Local storage, VLAN, and file-level incremental backups

Correct Answer: A

QUESTION 2

Your customer is running an EMC NetWorker 7.6 server and wants to upgrade their clients running NetWorker 7.4.

What are two ways to do this remotely from the NetWorker server?

- A. Software Administration Wizard and nsrpush
- B. Copy with Clients and nsrpush
- C. Software Administration Wizard and nsrclient
- D. Copy and nsrpush

Correct Answer: A

QUESTION 3

A EMC NetWorker administrator needs to provide customizable backup reporting, alerting, monitoring, and correlation analysis capabilities across an entire backup environment. Which EMC application should the backup administrator use?

- A. EMC Data Protection Advisor
- B. EMC NetWorker Management Console
- C. EMC HomeBase
- D. EMC Avamar

Correct Answer: A

QUESTION 4

During the configuration of a tape library attached to a remote EMC NetWorker storage node, an "Access denied" error message is reported. What is the root cause of the issue?

- A. User on the storage node must have privileges to create the jukebox resources on the NetWorker server.
- B. User configuring the tape library must match the name of the administrative user on the storage node.
- C. The NetWorker storage node has to be defined as a client on the NetWorker server.
- D. User on the NetWorker server must have "logon as a service" privileges on the storage node.

Correct Answer: A

QUESTION 5

In an EMC NetWorker environment, what is the default retention period for information about completed backups that is contained in the Management Console Database?

- A. 3 months
- B. 6 months
- C. 12 months
- D. 1 month

Correct Answer: D
