QUESTION 1

DRAG DROP

List in the correct order what the system will do when you perform a handover action.

Select and Place:

ACTION

| |
|---|
| Brings the newly replicated volumes online. |
| Replicates these snapshots to a downstream replication partner. |
| Reverses replication roles/direction. |
| Takes a snapshot of all associated volumes. |
| Takes all associated volumes offline. |
| Transfers ownership of the volume collection to the partner. |

ORDER

Correct Answer:

ACTION

| |
|--|
| |
| |
| |
| |
| |
| |

ORDER

| |
|---|
| Takes all associated volumes offline. |
| Takes a snapshot of all associated volumes. |
| Replicates these snapshots to a downstream replication partner. |
| Transfers ownership of the volume collection to the partner. |
| Brings the newly replicated volumes online. |
| Reverses replication roles/direction. |
