**QUESTION 1**

You work as the Finance Manager for a company. The company uses Microsoft Dynamics 365 Finance for its accounting system.

The company has a main office and eight branch offices. Three more branch offices are currently under construction.

You need to ensure that advertising expenses are balanced across the eight branch offices.

The advertising costs will be balanced across all eleven branch offices when the three new offices are complete.

Which option should you select in the ledger allocation configuration?

- A. Fixed percentage
- B. Basis
- C. Fixed weight
- D. Equally

Correct Answer: D
