QUESTION 2

Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while

others might not have a correct solution.

After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.

Your company uses Windows Update for Business.

The research department has several computers that have specialized hardware and software installed.

You need to prevent the video drivers from being updated automatically by using Windows Update.

Solution: From the Settings app, you clear the Give me updates for other Microsoft products when I update Windows check box.

Does this meet the goal?

A. Yes

B. No

Correct Answer: B

Drivers are not part as "Microsoft Other Product" but included inside quality update, so uncheck this option has no effect. Answer is NO.
