### QUESTION 1

Which of the following are not included as a concept in deductive reasoning?

- A. Minor premise
- B. Obvious conclusion
- C. Medium premise
- D. Major premise

Correct Answer: C

Aristotle discussed the use of a major premise, a related minor premise and an obvious conclusion as a part of deductive reasoning.

---

### QUESTION 2

Of the following, which is NOT a curative factor of group, as outlined by Yalom?

- A. Universality
- B. Instillation of hope
- C. Intrapersonal learning
- D. Group cohesiveness

Correct Answer: C

Interpersonal learning, not intrapersonal learning, is a curative factor. Interpersonal learning occurs when a person tries out new behaviors in group. Group is seen as a microcosm of the real world.

---

### QUESTION 3

Culture can be defined as:

- A. values a group shares and learns from other members of the group
- B. attitudes, beliefs, art, and language specific to a group
- C. customs shared by a group which are different from those in another group
- D. All of the above

Correct Answer: D

Culture is a broad term used to describe the social behavior and norms found in human societies and therefore, a, b, and c are all part of the definition. An overly simplified way of thinking about culture is as a way of life for certain groups.

---

#### QUESTION 4

Nosology, the process of formal diagnosis, is most closely related to:

- A. sampling
- B. individualized education plans (IEP)
- C. psychoanalysis
- D. the medical model

Correct Answer: D

The most recent revision helped align the DSM with the ICD-11 (International Classification of Diseases). The DSM-5 provides researchers, clinicians, and health officials with a standard language to use when communicating about mental disorders. The ICD-11 is used by medical professionals to diagnose medical conditions. Most IEPs do contain a formal diagnosis, but the diagnosis is used to help guide what accommodations and modifications go into the IEP to help the student.

---

#### QUESTION 5

Which career theorist talked about life roles?

- A. Ginzberg
- B. Holland
- C. Parsons
- D. Super

Correct Answer: D

Super talked about the life roles of: child, student, homemaker, leisurite, citizen and worker.
