---

### QUESTION 3

DRAG DROP

Below are the steps in the workflow for creating a Best Practice Assessment in a firewall and Panorama configuration. Place the steps in order.

Select and Place:

In either the NGFW or in Panorama, on the Operations/Support tab, download the technical support file.		Step 1
Log in to the Customer Support Portal (CSP) and navigate to Tools > Best Practice Assessment.		Step 2
Upload or drag and drop the technical support file.		Step 3
Map the zone type and area of the architecture to each zone.		Step 4
Follow the steps to download the BPA report bundle.		Step 5

Correct Answer:

	In either the NGFW or in Panorama, on the Operations/Support tab, download the technical support file.	Step 1
	Log in to the Customer Support Portal (CSP) and navigate to Tools > Best Practice Assessment.	Step 2
	Upload or drag and drop the technical support file.	Step 3
	Map the zone type and area of the architecture to each zone.	Step 4
	Follow the steps to download the BPA report bundle.	Step 5

Step 1. In either the NGFW or in Panorama, on the Operations/Support tab, download the technical support file.

Step 2. Log in to the Customer Support Portal (CSP) and navigate to Tools > Best Practice Assessment.

Step 3. Upload or drag and drop the technical support file.

Step 4. Map the zone type and area of the architecture to each zone.

Step 5. Follow the steps to download the BPA report bundle.
