QUESTION 5

DRAG DROP

Match each activity (on the left) to its definition (on the right).

Select and Place:

Communication		The developer submits code for testing. The UX designer checks that the developer implemented the elements correctly.
Coordination		Pair programming
Cooperation		A slide presentation by the Product Owner to stakeholders
Collaboration		The Product Owner adjusts some story priority to meet the dependency of another team.

Correct Answer:

	Coordination	The developer submits code for testing. The UX designer checks that the developer implemented the elements correctly.
	Collaboration	Pair programming
	Communication	A slide presentation by the Product Owner to stakeholders
	Cooperation	The Product Owner adjusts some story priority to meet the dependency of another team.
