### QUESTION 3

Scenario

A photographer from Portraits Ltd, a professional photographic company, has taken on the role of Team Manager after taking some time to understand the requirements of the project. A contract for their services has been set up and is being

monitored by the Purchasing Manager and a Work Package has been agreed. This contract specifies that the photographer must arrange a meeting with the Engineering Manager to establish a schedule for the photo sessions to minimize the

impact on the Engineering staff. This meeting should have occurred by now.

The Engineering Manager was made aware of this requirement but when asked he reported that he has received no communication from the photographer. The Project Manager has tried to call the photographer and has had no response.

The Project Manager believes there is a risk that Portraits Ltd are overbooking work and prioritizing other clients' work. If Portraits Ltd do not deliver on schedule the project will be delayed and the expected benefits will be reduced.

The contract is to be reviewed and Portraits Ltd reminded of their agreement.

The project is now in stage 2. The Project Manager has heard about the possibility of a competitor also producing a calendar to be delivered earlier than the target date for this project. There is a threat that the early release of a competitor's

calendar may weaken the impact of the MNO Manufacturing Company calendar, thereby reducing the anticipated benefits of the Calendar project.

Which 2 statements should be recorded under the Risk tolerance heading?

- A. Corporate management's threshold level of risk exposure is any combination of high and very high impact and probability.
- B. The Project Board's threshold level of risk exposure is any combination of medium, high and very high impact, with high and very high probability.
- C. The Project Manager's threshold level of risk exposure is low impact and probability.
- D. The cost of all fallback plans must be contained within the project's tolerance.
- E. The risk budget will have a tolerance of +/- 10%.

Correct Answer: BD

#### QUESTION 4

It is now late October and the project is in stage 3. The label design competition has been held and the photos of the staff have been taken. The CEO and Marketing Director still need to choose the winning label design and the 12 photos for the calendar. However, the Executive has learned that two competitors are issuing calendars to MNO's customers by the middle of November. After analyzing the impact of this Issue, one of the options the Project Manager has presented to the Project Board is to close the project prematurely. There are a number of key facts relating to this project that would need to be recorded if the project Y-e to be closed now.

Which product should register that the risk of a competitor producing a calendar at the same time was identified at the beginning of the project but the assessment of this risk appears to have been poor?

- A. Issue Register
- B. Follow-on action recommendations
- C. Lessons Report
- D. Risk Register

Correct Answer: C
