QUESTION 1

You have developed a notebook in an Autonomous Database (ADB) and you need to share the notebook with your colleague to run on a different ADB instance.

How should you enable your colleague to work with this notebook?

- A. Save the notebook in .csv format and have your colleague import this notebook.
- B. Save the notebook as a shared template.
- C. Make the notebook public.
- D. Export the notebook in .json format and have your colleague import this notebook.

Correct Answer: A

QUESTION 2

Which three statements are true about Oracle Machine Learning Notebooks?

- A. It is used to manage and monitor database objects.
- B. It provides a web-based interface for data analysis.
- C. It is used to access machine learning algorithms.
- D. It is used to create low-code applications.
- E. It is used for data preparation and exploration.

Correct Answer: BCE

QUESTION 3

In an Oracle Machine Learning notebook, which is the correct syntax for starting a SQL script in Scratchpad?

- A. #sql
- B. Ssql
- C. %sql
- D. @sql

Correct Answer: C

QUESTION 4

Which four actions would typically be performed during the data preparation step for analyzing data with Oracle Machine Learning?

- A. performing feature engineering, such as creating derived variables
- B. numeric data normalization
- C. data collection from various sources
- D. missing value replacement
- E. building a machine learning model
- F. binning of numeric data

Correct Answer: ABCD

QUESTION 5

Examine the command:

```
%script
```

```
SET SQLFORMAT ANSI
```

What is the output of a query if this sqlformat is set?

- A. It formats the output columns with fixed-width columns with data enclosed in double quotation marks.
- B. It formats the output columns to return ANSI characters.
- C. It formats and resizes the output columns to the width of the data to save space.
- D. It formats the output columns to add ANSI characters as the delimiter string.

Correct Answer: B

QUESTION 6

Examine the command:

```
%sql
```

```
SELECT CUST_MARITAL_STATUS, MEDIAN
```
