4. HOTSPOT

Click the Task button. Click on the portal a customer uses to perform basic service lifecycle management.

The safer, easier way to help you pass any IT exams.

Click on the portal a customer uses to perform basic service lifecycle management.

The image shows four screenshots of HP Service Manager interfaces. The top-left screenshot shows the 'SERVICE REQUEST CATALOG' with a search bar and a 'Viewing 1-2 of 2 results' indicator. The top-right screenshot shows a 'Problem Plan Overview' with a tree view and a 'Task' pane. The bottom-left screenshot shows a dashboard with various charts and a table of service requests. The bottom-right screenshot shows a detailed view of a service request with a 'Task' pane. A 'Done' button is located at the bottom right of the interface.

Answer:

Click on the portal a customer uses to perform basic service lifecycle management.

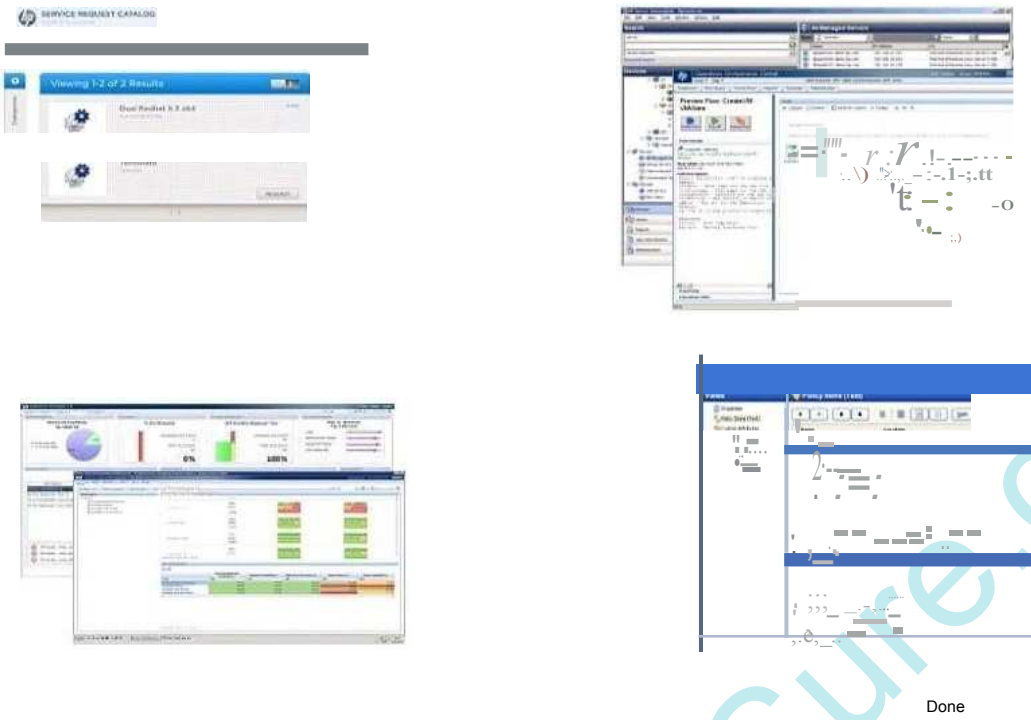

This image is identical to the one above, showing four screenshots of HP Service Manager interfaces. The top-left screenshot shows the 'SERVICE REQUEST CATALOG' with a search bar and a 'Viewing 1-2 of 2 results' indicator. The top-right screenshot shows a 'Problem Plan Overview' with a tree view and a 'Task' pane. The bottom-left screenshot shows a dashboard with various charts and a table of service requests. The bottom-right screenshot shows a detailed view of a service request with a 'Task' pane. A 'Done' button is located at the bottom right of the interface.

S.HOTSPOT

Click the Task button. Click on the portal a customer uses to monitor services, events and processes.

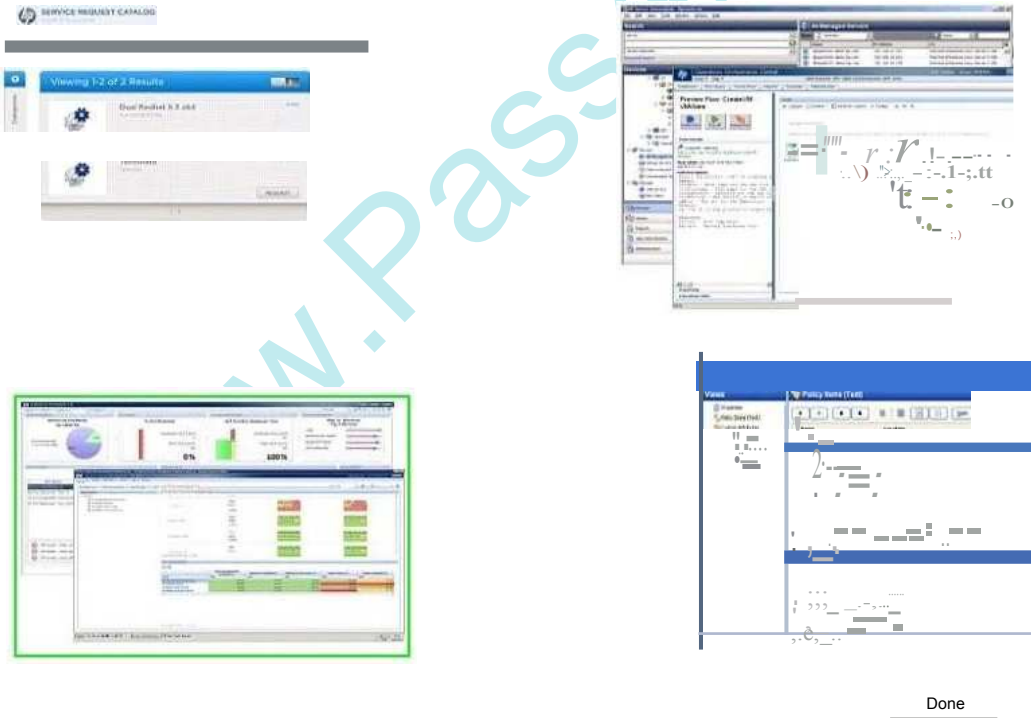

The safer, easier way to help you pass any IT exams.

Click on the portl a customer uses to monitor services, events and processes.

Answer:

Click on the portl a customer uses to monitor services, events and processes.
